Since 1989 we have been operating in the beautiful but harsh snowboard business. We have seen brands coming and going, news prevail and disappear, Labels built on core stores and sold off later on sports chains.

All goodboards and goodski are designed with a lot of passion on the mountain and at the beautiful Ammersee. We are manufacturing handmade limited editions in Europe from high quality materials. We are selling exclusively through competent, owner-operated core stores.

We thank all those who believe in us, appreciate our products and recommend goodboards and goodski.

Depuis 1989, nous travaillons dans le beau, mais très concurrentiel secteur des snowboards. Nous avons vu comment de nombreuses marques voient le jour puis disparaissent, comment certains développements technologiques s'imposent avant de sombrer dans l'oubli, comment certains labels et certains magasins spécialisés grandissent petit à petit avant d'être bradés à la grande distribution.

Par conséquent, tous nos goodboards et goodschi sont conçus, passionnément, dans les montagnes et au bord de notre lac Ammersee. Ils sont manufacturés à partir de matériaux de haute **qualité**, à la **main**, en petites séries limitées et bien sûr en Europe. Les revendeurs sont tous, sans exception, de petits magasins spécialisés et compétents, dans lesquels travaille le propriétaire lui-même.

Nous remercions tous ceux qui croient en nous, apprécient nos produits et les recommandent !

Bereits seit 1989 sind wir im schönen aber harten Snowboardbusiness tätig. Wir konnten beobachten, wie Marken kommen und gehen, Innovationen sich durchsetzen und wieder verschwinden, Labels mit Leidenschaft über Core-Shops aufgebaut und dann über Sportketten verramscht werden.

Alle goodboards und goodschi werden mit viel Herzblut auf dem Berg und am schönen Ammersee entwickelt. Wir setzen auf hochwertige Materialien, die in europäischer Handarbeit und in kleinen Serien verarbeitet werden. Verkauft werden unsere Produkte ausschließlich über kompetente, inhabergeführte Core-Shops.

Vielen Dank an alle, die an unsere Marke glauben, unsere Produkte schätzen und weiterempfehlen.
