

Premium Flex Wakeboards 2017

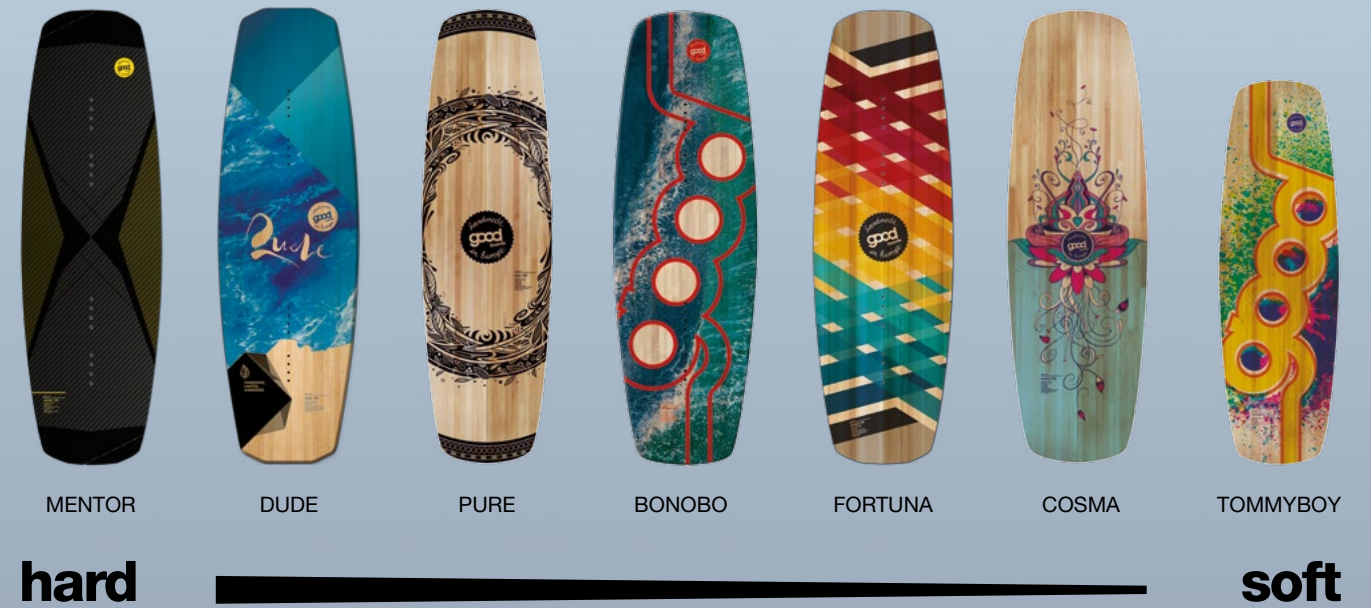

Goodboards is a german and owner-managed company, located at the beautiful lake Ammer (Ammersee) close to Munich. With over 25 years of experience, we develop premium wooden design snowboards, ski, longboards, kiteboards and flex wakeboards for our discerning customers demanding the highest performance. All of our products are handmade within Europe, manufactured in small, limited series and with great attention to detail. When setting up our company we deliberately made the decision to only offer premium quality boards, as persistence, customer satisfaction as well as our own satisfaction have always been the most important to us. If you'd like to find out about what we mean by premium quality boards and what makes us stand out of our competitors, come around to one of our test-days and join us for a free ride!

You can browse through our newest collections of wakeboards and kiteboards here. Enjoy the ride!
