

fortuna

Try for a whole new wake feeling on the Fortuna. Long channels keep the ride smooth while the Double Carbon Stringers add loads of pop. Its medium soft flex makes the Fortuna the softest good-board for adults. Try Fortunas' good fortune on water, in the air off kickers or sliding on obstacles.

NEW: double carbon stringers
USE: allround

Noel Krissmann Mike Krissmann Turncable Thannhausen

NEW kite crossbay

Crossbay is a high quality and light weight freeride board. The 3d-bottom shape creates an optimized flex, while the slightly concave in the center section delivers maximum control and early and efficient planing. The outline makes it easy to turn with a smooth, predictable feel.
 DESIGN BY Anke Schweiger

USE: freeride
CORE: wood-glass-carbon
FLEX: soft

QUANTITY: 50 boards
PRICE: EUR 579,-
SHAPES: 133/40,2, 137/41,4, 141/42,6

NEW kite amnesia

Amnesia is a powerfull freeride & freestyle board. The long channels provide phenomenal edging, bring power for upwind drive and stability on harder landings. Tip and Tail with carbon and round channels gives you extreme pop for your jumps. Double-row inserts within the hardwooden stringers are perfect for your first wakestyle experiences.
 DESIGN BY Björn Schwefer

USE: freeride/freestyle
CORE: wood-glass-carbon
FLEX: medium

QUANTITY: 50 boards
PRICE: EUR 659,-
SHAPES: 132/40,2, 136/41,4, 140/42,6

Handmade. Limited. Ammersee.

goodboards is an owner-managed german company, based at the beautiful Ammersee near Munich. With over 25 years of experience in the snowboard industry, we develop premium elegant flex wake- and kiteboards for discerning customers demanding the highest performance. We only select high quality and long-lasting materials to produce our boards in manufactures in Europe. This season only 700 hand-made wakeboards and 100 kiteboards will be crafted.

We love riding and want to share this passion with you!
